
PROFESSIONAL EXPERIENCE

College of Aviation, Embry-Riddle Aeronautical University

Graduate Research Coordinator

Daytona Beach, FL

Aug 2024 – Apr 2026

- Managed fiscal oversight for \$2M+ in federal grant funds, auditing expenditures against operational budgets to ensure compliance.
- Integrated Salesforce CRM and KnowledgeLake across 5 academic programs to automate document processing, track satisfaction KPIs, and accelerate resolution timelines.
- Led the development and rollout of an automated dissertation chair matching tool, eliminating placement inaccuracies between student proposals and faculty specializations.
- Conducted comprehensive global aviation safety research evaluating international civil aviation standards and regulatory frameworks to optimize industry risk mitigation.
 - Honored with the ERAU **International Engagement Award** for Excellence in International Research.

DSPS HR Solutions

Human Resources Business Partner

Remote, Barbados

Jan 2024 – Aug 2024

- Championed business initiatives across a portfolio of clients, ensuring company policies and SOPs reflected core business objectives.
- Implemented performance management frameworks and clear KPI evaluation processes for operational teams, establishing structured feedback loops and accountability mechanisms.
- Developed workforce analytics dashboards to track key people metrics, delivering data-driven insights to C-suite leadership for strategic workforce planning and cost optimization.

Caribbean Aircraft Handling (CAH)

Acting Human Resources Manager

Christ Church, Barbados

Feb 2023 – Apr 2023

- Directed human capital strategy across 7+ global airline accounts, balancing competing corporate and stakeholder priorities to ensure efficient 24/7 service execution.
- Maintained audit-readiness for executive oversight committees and global regulatory bodies to pass ICAO, IATA, and ISAGO safety and quality audits.
- Reconciled unplanned labor expenditures during irregular operations by executing airline chargebacks to protect operating margins and control labor costs.

Human Resources Coordinator

Jul 2019 – Jul 2023

- Reduced Time-to-Fill from 45 to 21 days via predictive recruitment models for peak flight schedules.
- Served as a trusted HR advisor addressing workforce grievances and conflict resolution at the root level, preventing formal labor disputes and maintaining positive organizational culture.
- Drove the transition to a hybrid human capital management system that improved safety tracking and HR processes across 5 departments to support over 300 staff members.
